ABOUT US

GSCI Services has been incepted with a vision to provide access to sustainability certification. GSCI Services is poised for rapid growth in sustainability certification services across industries. The company plans to operate as an internationally operating certification body. GSCI services is currently in the process of establishing its subsidiaries globally. GSCI services GmbH is accredited by UAF for management system certification and has applied for Equivalent EU-organic certification in Third Countries and Organic Germany (EC regulation No. 834) with DAkkS. GSCI Services Pvt Ltd has been accredited by IOAS for Textile Exchange certification (OCS, RCS and GRS).

A background image showing a person's hand in a green jacket pointing towards a young pine tree in a lush green forest. The scene is slightly out of focus, emphasizing the text overlay.

OUR VISION

To become most preferred certification body known for providing access to global sustainability certification and services in a professional, transparent and ethical way.

OUR MISSION

To be recognized globally as a trusted and dependable certification body, known for its integrity and commitment to nature, business, people and society. To ethically empower sustainability for global supply chains starting from primary producers until the end users, called consumers.
